Works  
Committee:

Monthly Report    See Report  
from  
Engineering:        Committee reviewed the handouts submitted with the Public Works Packets. No  
2017/2018 MFT      discussion. Chairman Ottersen suggested that we update the Road Evaluation Study,  
Recommendation    which was done back in 2012 by RHMG Engineers, in 2018.  
& Forecast

New Business:     Jon stated he received the plans for the drainage issue along Greenbay Road today and Jan of 2017 is when the tentative start date will be.

Old Business:     WMB Grant Project – Suburban Country Club Clean-up Project will be starting next week. Finally got the permit from ACOE.  
Street Lights along Major Avenue in Beach Park. Jon updated the committee that the lights were put up last week of August and Cambridge will be paying for any out-of-pocket charges to install them.

Other Business:    Jon let the committee know that our Public Works Department is back to being fully staffed.  
There is a challenge to the Burgett Recapture Agreement from one of the residents along Waldo Avenue. Jon let us know that he will have to have a legal review in order to respond.  
There was little discussion regarding a Licensed Plumber inspecting all projects from the main to the house instead of in-house inspectors.  
Trustee Jensen asked the question as to what the “life expectancy” of a Handicapped Child or Blind Child sign is.

Adjourn:            7:30 pm
