The Honorable Village President
Members of the Board of Trustees
Village of Beach Park, Illinois

In planning and performing our audit of the financial statements of the Village of Beach Park (the Village), Illinois, for the year ended April 30, 2025, we considered its internal control structure in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control structure.

We do not intend to imply that our audit failed to disclose commendable aspects of your system and structure. For your consideration, we herein submit our comments and suggestions which are designed to assist in effecting improvements in internal controls and procedures. Those less-significant matters, if any, which arose during the course of the audit, were reviewed with management as the audit field work progressed.

The accompanying comments and recommendations are intended solely for the information and use of the Board, Finance Director and senior management of the Village of Beach Park, Illinois.

We will review the status of these comments during our next audit engagement. We have already discussed many of these comments and suggestions with various Village personnel. We would be pleased to discuss our comments and suggestions in further detail with you at your convenience, to perform any additional study of these matters, or to review the procedures necessary to bring about desirable changes.

We commend the finance department for the well prepared audit package and we appreciate the courtesy and assistance given to us by the entire Village staff.

In December 2023, the Governmental Accounting Standards Board (GASB) issued Statement No. 102, *Certain Risk Disclosures*, which establishes the requirements for disclosing, in the notes to the financial statements, the risks related to a government's vulnerabilities due to certain concentrations or constraints that is essential to their analyses for making decisions or assessing accountability. Governments may be vulnerable to risks from certain concentrations or constraints that limit its ability to acquire resources or control spending. Concentration risk is a lack of diversity related to an aspect of a significant inflow of resources (revenues) or outflow of resources (expenses). GASB Statement No. 102, *Certain Risk Disclosures* is applicable to the Village's financial statements for the year ended April 30, 2026.

The Statement addresses application issues related to management' discussion and analysis, unusual or infrequent items, presentation of the proprietary fund statements of revenues, expenses, and changes in fund net position, major component unit information, and budgetary comparison information. GASB Statement No. 103, *Financial Reporting Model Improvements* is applicable to the Village's financial statements for the year ended April 30, 2027.
